## General information

### GST/HST reporting periods

As a GST/HST registrant, the reporting period you use determines how often you prepare and send us your GST/HST returns. When you become a registrant, you can select, depending on your threshold amount, one of the three reporting periods. If you do not select a reporting period, we assign you the reporting period that requires the least frequent filing of GST/HST returns available for your threshold amount. For example, if your threshold amount is \$1,500,000 or less, we will assign you an annual reporting period. The reporting period assigned to you will remain as your filing period until you make an election to change it, or until your threshold amount exceeds the maximum for that reporting period.

If you are an eligible listed financial institution (as described in any of subparagraphs 149(1)(a)(i) to (x) of the Excise Tax Act), we will assign you an annual reporting period. The reporting period assigned to you will remain as your filing period until you make an election to change it.

Your reporting period applies to all of your branches and divisions.

### Who can change their reporting period?

You can make an election to change your reporting period if the reporting period you choose is an available option based on your threshold amount (see Part B on the first page).

#### Note

**Do not complete** this form if you are a selected listed financial institution and you have a permanent establishment in Quebec. Instead, complete Form RC7220, Election for GST/HST and QST Reporting Period for a Selected Listed Financial Institution.

If you are a charity, you can make an election to change your reporting period regardless of your threshold amount.

Charity means a registered charity or registered Canadian amateur athletic association for income tax purposes, but does not include a public institution.

A public institution is a registered charity that is also a school authority, a public college, a university, a hospital authority, or a local authority determined to be a municipality.

Municipality means:

- an incorporated city, town, village, metropolitan authority, township, district, county or rural municipality or other incorporated municipal body however designated; and
- such other local authority as the Minister may determine to be a municipality.

If you are a listed financial institution, you can also change your reporting period back to annual by revoking your election for monthly or quarterly reporting periods using Form GST20-1, Notice of Revocation of an Election for GST/HST Reporting Period by a Listed Financial Institution. In this situation, you are not subject to the \$1.5 million threshold amount.

### Threshold amount calculation

When calculating your threshold amount to determine your reporting period, include your annual taxable sales and revenues, including zero-rated sales and services made in Canada. Some revenues are excluded from this calculation (see the chart on this page).

If other persons are associated with you, also include the annual taxable sales of these associates in the calculation of your total annual taxable sales. You are considered to be associated if you meet **any** of the following conditions:

- If you are a corporation, you and another corporation are associated if you are associated for income tax purposes.
- If you are **not** a corporation, you and a corporation are associated if you control the corporation, or you are a member of a group that controls the corporation and each member of that group is associated with each other member.
- You are associated with a partnership if the total of your share of the partnership's profits and the share of all the persons with whom you are associated is more than half of the total of the partnership's profits or would be more than half if the partnership had profits.
- You are associated with a trust if the total value of your interest in the trust, and the interest in the trust of all the persons with whom you are associated, is more than half the total value of all interests in the trust.
- You are associated with another person if you are each associated with the same third person.

Use the chart below to determine your threshold amount for a fiscal year.

#### Threshold amount calculation chart

Enter your total taxable sales and revenues (paid to you or that became due) for your immediately preceding fiscal year. Do not include amounts collected as GST/HST or provincial sales tax.

\$ \_\_\_\_\_ (1)

Amounts included on line 1 that are for:

Goodwill \$ \_\_\_\_\_ (2)

Financial services \_\_\_\_\_ (3)

Sales of capital real property \_\_\_\_\_ (4)

Zero-rated exports \_\_\_\_\_ (5)

Supplies made outside Canada \_\_\_\_\_ (6)

Add lines 2 through line 6 \_\_\_\_\_ (7)

Line 1 minus line 7 \_\_\_\_\_ (8)

Line 8 divided by the number of days in that fiscal year \_\_\_\_\_ (9)

#### Threshold amount

(line 9 multiplied by 365) \$ \_\_\_\_\_ (10)

#### Note

If you have no associates, the amount on line 10 is your threshold amount for the fiscal year. If you have associates, the above calculation has to be repeated for each associate using the preceding fiscal year-end of the associate that ends on or before your last fiscal year-end. The line 10 total for all associates has to be added to your line 10 total to get your threshold amount for the current fiscal year.

## **Effective date of the election**

Once you make an election, your reporting period will take effect on:

- the day you become a registrant;
- the first day of your fiscal year, if you are already a registrant; or
- the first day of a fiscal quarter, if your election for annual filing ceases to be valid on the first day of that quarter (for example, you exceed the \$1,500,000 threshold amount in your second or third quarter) and you are electing to file monthly instead of quarterly.

## **Due date for filing your election**

If you are electing to change from quarterly to annual filing, file your election no later than three months after the beginning of the fiscal year in which the election is to take effect.

If you are a new registrant, make an election to change your reporting period on or before the effective date of your GST/HST registration when the election is to take effect on that day.

In all other cases, file your election no later than two months after the day the election is to take effect.

## **Duration of election**

The reporting period election remains in effect until the earlier of:

- the day an election for a different reporting period takes effect;
- the day that your threshold amount for the fiscal year or a particular fiscal quarter in that year exceeds the maximum for the reporting period you have elected (this does not apply to charities); or
- if you are a listed financial institution, the day on which a revocation of the election becomes effective using Form GST20-1, Notice of Revocation of an Election for GST/HST Reporting Period by a Listed Financial Institution.

## **Instalment payments for annual filers**

If you file your GST/HST returns annually, you may also have to make quarterly instalment payments if your annual net tax for your previous fiscal year was \$3,000 or more. These quarterly payments are due one month after the end of each of your fiscal quarters and are generally based on the lesser of the following two amounts:

- 25% of your annual net tax from the previous year; or
- 25% of the estimated annual net tax for the current fiscal year, if you expect that your net tax for the current fiscal year will be less than it was for the previous fiscal year.

### **Note**

You **do not** have to make quarterly instalment payments if your net tax for the current year will be less than \$3,000.

The GST/HST return you file at the end of your fiscal year will reconcile your instalment payments with your total annual net tax.
